ANGEL OIL "GOD TREE" "SPIRITED TREE"

Organic Tamanu oil. Carefully Selected. Rare and Pure

Safety Precautions

Carefully selected 100% Organic Oil, below are three of the items that can be purchased at Angel Oil.

Please do not apply oils directly into your eyes. If oils get into the eye, quickly wipe or flush the eyes.

Please stop using the oils if you develop any skin conditions.

If you are allergic to nuts, ask your doctor whether or not you should be using oil.

ORGANIC APRICOT KERNEL OIL

This natural oil is suggested to apply as skin rejuvenation and on the small wart. It contains 65% of the oleic acid, known as one of the best oil for its richness and gentleness on skin. It helps to smooth the skin and repairs damaged skin.

ORGANIC HEMP SEED OIL

It consists of 80% essential fatty acid that's necessary for human body and one of the highest in all vegetable oils. It also contains 9 types of necessary amino acid which helps in improving the skin metabolism and blood flow. Also suggested for people with Atopic Dermatitis.

ORGANIC LAVENDER OIL

100% Organic Lavender. Carefully selected lavender essence. Safe to apply on skin. You can use on body or room fragrance. You can also mix with other oils. The health benefits of lavender essential oil include its ability to eliminate nervous tension, relieve pain, disinfect the scalp and skin, enhance blood circulation and treat respiratory problems.
